A family day out

Everyone enjoys a treat. It's good to take time away from our usual situation, without our usual responsibilities. It gives us a chance to relax, and to see each other in different circumstances. We'll eat and rest and talk and be active together. We'll enjoy our new surroundings and we'll enjoy being together. We'll worship God together. There will be some supervision for children and we'll organise some games so bring the whole family along.

Two sessions with worship

We meet in the morning and evening all together for an optional service are joined in the evening session by Sue Adams to lead us in our worship.

Our activities will be appropriate for children and adults alike will have input from the Bible to encourage and stimulate faith.

What will it cost?

Our all-in cost includes a Roast carvery lunch with dessert, a cream tea and full use of the grounds and facilities. We offer concessions so please do ask.

£20 adults
£8 children
